A photograph showing a large, leafless tree in the center of a landscaped area. The tree is surrounded by a circular bed of mulch and small yellow and purple flowers. In the background, there is a long, light-colored stone wall with vertical concrete pillars. To the right of the tree, there is a red octagonal stop sign on a black pole. Further right, there is a brick pillar with a decorative top. The sky is clear and blue. A green circular graphic in the top right corner contains the text "View B".
